## Jill's Solutions

JI	ii 8 Solutions
1.	The term "the dark ages" references what period in what place?
2.	During this period, what motivated the first systematic attempts at educating people? What was the emphasis of this education?
3.	When does the Prophet Mohammed die and when does the Islamic empire reach northern Spain?
4.	Summarize in your own words the paragraph at the bottom of page 272 that continues onto the next page. Do you agree with the last sentence?
5.	Provide some biographical details about Leonardo of Pisa
